

The “Smiley” receptacle is a stylish 14 gallon total capacity unit that combines 3 waste streams into one small footprint.

Features and Benefits

- Includes three individual, rigid plastic liners for a combined 14 gallon capacity. The liner base resin meets UL94 Flammability Standard
- Flat lid with three separate openings for “Cans”, “Plastic” and “Newspaper/Paper” recycling
- Stainless Steel body is fire safe with solid bottom
- Top removes from body for easy emptying and cleaning, unlike comparable units that require the entire body be lifted for emptying
- Double beaded base provides additional body strength and stylish lines
- Contains over 60% recycled material and is 100% post-consumer recyclable
